# EXPERIENCE THE BEST IN CUSTOMER SERVICE & SUPPORT

Forget about automated phone system loops, hard-to-reach help, and messages that go into the proverbial black hole! At Northern Radiator, we believe that having high quality products is only the beginning! You also deserve the very best in service and support. That's why we pledge every day to bring you a great experience.

## Knowledgeable Customer Service Representatives

Don't know the OEM part number? Have some measurements but need help finding the right fit? Having trouble with an application? We've got you covered. Our experienced team of customer service representatives is here to help you find exactly what you need and help get it to you quickly.

## Dedicated Sales Support

Every Northern customer is assigned to one of our dedicated sales representatives whose primary purpose is to help ensure your success with our products. Our sales staff offers product training, guidance on inventory selection and management, and keeps you up to date on the latest products and industry trends.

## Phone Support Available Weekdays 7 am - 7 pm CST

Sometimes you just want to speak with an actual person. With our multiple call centers, we're able to provide phone support beyond the typical workday to ensure the help you need is available. Reach a real person ready to assist you, 12 hours a day.

## 24/7 Online Ordering Access

Need to cross reference an OEM part number? Want to get your order placed on Saturday rather than waiting until Monday morning? We've got you covered. Request a login for our full-featured website and have 24-hour access to pricing, availability, full product details, ordering, and more.

## Employee Owned—We're Committed

Northern Radiator is 100% employee owned. That means every employee you work with is dedicated to providing the utmost in service and satisfaction. We know that our success is reliant upon your success, and we'll work hard to help you be successful with our products.

## Work With the Best

If you'd like to learn more about our program, reach out to a member of our sales staff. We'd be honored to have your business and will work hard to earn it, every day.

# MEDIUM / HEAVY DUTY TRUCK PRODUCTS

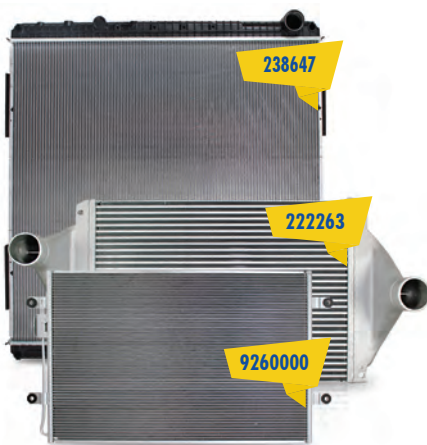

Meet the Most Complete and Reliable All-Makes & Models Cooling Program Available for Medium and Heavy-Duty Truck!

- Unmatched Depth and Breadth of Products
- Quality Construction that's Built to Fit and Built to Last
- Dependable Performance — Industry Best and Lowest Warranty Return Rates, Ask Your Sales Representative for Details
- 2-Year Limited Warranty (2 Years from date of installation or 250,000 miles, whichever occurs first)

## ADDITIONAL TRUCK PRODUCTS

### EGR FLUSH

Other EGR cooler flush products may be more costly as they are mixed "one to one," where Northern's can be cut to one part cleaner to 3-4 parts water depending on the condition of the EGR cooler. Some manufacturers recommend 80,000 miles as the maximum timeframe between EGR flushes.

**Z14016**  
EGR Cooler Flush - 1 Gallon

### CHARGE AIR COOLER CLEANER

Some Charge Air Coolers don't need to be replaced, just cleaned! Our Charge Air Cooler Cleaner renews performance by blasting away oil, soot, and oxidation from the inside.

**RW0149-5** - 5 Gallons  
**RW0149-15** - 15 Gallons

### CHARGE AIR COOLER TEST KIT

An Untested Charge Air Cooler Could be Losing MPG & Horsepower

According to most OEM specifications, charge air coolers that show a pressure drop greater than 5 PSI within 15 seconds when pressurized at 30 PSI should be replaced.

**RW0090-11** Charge Air Cooler Test Kit

### ISOLATOR KIT

As an added benefit, Northern Radiator includes isolator kits with some of our most popular charge air coolers.

#### WHY IS THIS A BIG DEAL?

- Save \$60-\$125 over OEM kits
- Protect the newly installed CAC with new proper mounting rather than using the old, worn out rubber isolators
- NO ADDITIONAL COST to you – Savings right in the box!

**Z72016**

In addition, these kits are sold individually to replace worn out isolators on Northern's or the OEM charge air cooler!

Visit our website or contact customer service to determine the correct isolator kit for your application.

- Z72016** Isolator Kit
- Z72019** Mounting Kit
- Z72021** Isolator Kit
- Z72018** Mounting Kit
- Z72020** Isolator Kit

# AGRICULTURAL PRODUCTS

## What Makes an Effective Aftermarket Ag Cooling Program? It Starts by Partnering with a Supplier Dedicated to Serving You!

At Northern, we know that we only succeed when you do, and we're dedicated to providing the right product selection, quality, and customer service to help ensure your success. Our wide selection of radiators, charge air coolers, condensers, evaporators and more for the Ag industry is constantly growing to make sure you can offer the best service and turnaround time for your customers. With distribution locations across the U.S. and a strong inventory position, getting your products is quick and easy. Most of all, we want to develop a working relationship with you to better understand your business, customers, and needs to better serve you. Partner with Northern today to expand or strengthen your Ag cooling program!

# AUXILIARY HEATERS

Tell the winter chill to hit the road! Our Auxiliary Heaters are available in 12 volt or 24 volt models, as well as various sizes and BTU outputs to fit everything from construction equipment cabs, to restoration/project vehicles, to delivery vehicles and more. Whether your customer needs floor mount, under seat, or side wall mounting, Northern has you covered!

Check them out at [www.NorthernRadiator.com](http://www.NorthernRadiator.com)

# RACE PRO RADIATORS

Race Pro Radiators provide up to 24% improvement in heat transfer over other brands of racing radiators! Our louvered cooling fins are exclusively designed for high performance heat dissipation and the core features 2 rows of 1" high-capacity cooling tubes. Choose from single, double, or triple pass versions to meet your cooling needs! (Triple pass radiators require a high-performance water pump for maximum cooling effect.)

- Machined billet aluminum, SAE compliant filler neck
- Epoxy-free construction—nothing to crack, chip, or leak
- All welded construction (no gaskets)
- Extra heavy reinforced die stamped tanks for added rigidity
- Heavy wall inlet and outlet fittings for secure hose connection
- Available with 8 plate cooler for wet or dry sump systems

Visit our Website for Even More Sizes & Options!

209692	31" x 19" Chevy / GM Triple Pass	Z40133	Z40003, Z40076	Z40023

## SCIROCCO-STYLE DRAG RACE Radiators

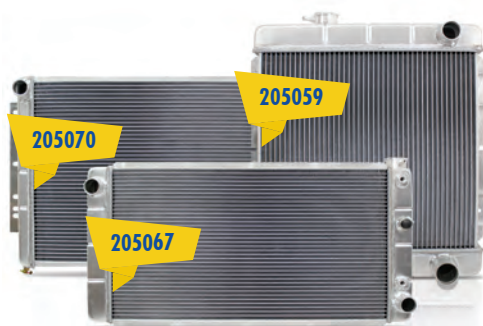

- Core has 2 rows of 1" tubes
- All-aluminum construction
- Without oil cooler
- Inlet 1 1/2" UR, Outlet 1 3/4" LR

- 204111: 21 1/2" x 12 9/16" x 3 1/8", Without fill neck
- 204112: 21 1/2" x 12 9/16" x 3 1/8", With fill neck

# MUSCLE CAR RADIATORS

Our Muscle Car Radiators are for both street and performance applications with a vehicle-specific design for a great fit and maximum cooling. The all-aluminum construction is lighter than copper/brass with up to 75% more cooling capacity utilizing two rows of true 1" tubes.

- Machined billet aluminum, SAE compliant filler neck for better pressure control
- Epoxy-free construction—nothing to crack, chip, or leak
- All welded construction (no gaskets)
- Efficient 7-plate aluminum oil cooler (on models with cooler)

## SPRINT CAR Radiators

- All-aluminum construction
- Machined billet aluminum filler neck
- 305, 360 & 410 class engines

- 209649: 22" x 20" x 2 1/4", 1 row of true 1 5/8" (42mm) high efficiency tubes
- 209660: 20 1/2" x 16 1/4" x 2 1/4", 1 row of true 1 5/8" (42mm) high efficiency tubes
- 204113: 20" x 20" x 1 7/8", 2 rows of 5/8" (16mm) tubes
- 204114: 20" x 20" x 2 3/4", 2 rows of 1" (26mm) tubes

# INTERCHANGEABLE RADIATORS

- Cover a large variety of dirt and asphalt racing applications with minimal inventory/SKUs
- Interchangeable inlet/outlet fittings with threaded connections
- All-aluminum construction, 2 rows of 1" tubes, single or double pass styles
- Multiple hose connection options
- LS Capability for those odd engine swap applications

# CUSTOM RADIATOR KITS

Create a Custom Radiator at a Fraction of the Custom Cost!

- Use as cross-flow or down-flow
- Radiators with cooler have an 8-plate, 10" aluminum super-flow oil cooler with 3/4" NPT fittings on 8 1/2" centers for wet or dry sump systems
- 2 or 3 rows of 1" tubes for high performance cooling
- Machined billet aluminum SAE compliant filler neck
- These radiators have a 1/4" plugged NPT port

209687B - 3 Row	26 1/4" x 18" x 3 7/16"	30 7/8" x 19 9/16" x 4 1/4"
209603B - 2 Row	26 1/4" x 18" x 2 1/4"	30 7/8" x 19 9/16" x 3 1/8"

**NOTE:** These kits require aluminum welding and fabrication. Other fittings sold separately.

Each custom radiator kit Includes:

- (1) Blank Radiator, (1) 1 1/2" Connection,
- (1) 1 3/4" Connection, (1) Billet Aluminum Filler Neck, (1) Overflow Tube, (1) Weld-on Bung, (1) Draincock

# FANS AND SHROUDS

If You're Not Moving Air, You're Not Cooling Effectively! The Right Fan & Shroud Combo is Just What You Need to Keep Your Customers Cool!

Whether you need a customizable shroud to fit an engine driven fan or are looking to upgrade your customer to the latest brushless fan technology, make Northern Radiator your first call! We have a large selection of fan shroud kits, brushed fans, brushless fans, wiring and accessories to help you create the right air flow for your customer's needs.

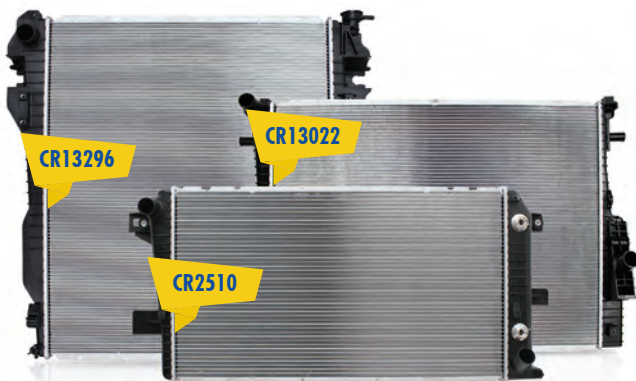

## DIESEL PICKUP RADIATORS

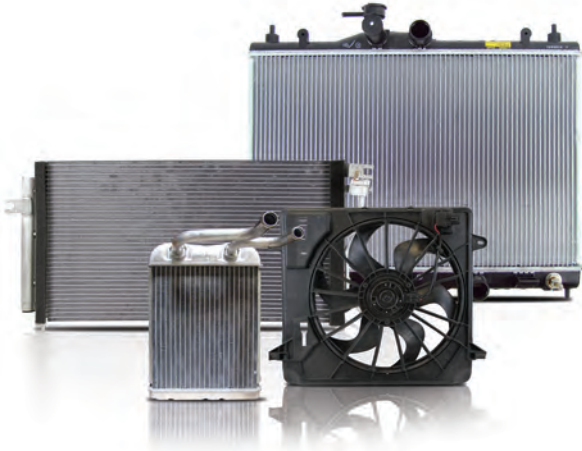

- Additional ribs on tanks add durability
- Better cooling for high horsepower & towing
- Strong heavy-duty crimp strips along headers
- More fins per inch than other brands

# AUTOMOTIVE / LIGHT TRUCK PRODUCTS

Whether you specialize in collision and autobody jobs or general repair, you'll find all of your radiator and cooling needs for Automotive and Light-duty Truck at Northern Radiator! Northern proudly stocks one of the largest inventories of aftermarket radiators, condensers, fan assemblies, heaters, and more that fit most make/model applications. Our website makes it easy to search products by your specific application to quickly find what you need. We offer competitive pricing and quality products backed by our 1-year warranty and superior customer service. Ask about our free freight offer on stock orders as well as drop ship capabilities!

## With Coverage for Nearly Every Vehicle Make:

- Buick
- Chevrolet
- Chrysler
- Dodge / RAM
- Ford
- GMC
- Honda
- Hyundai
- Jeep
- Lexus
- Lincoln
- Mazda
- Mercedes Benz
- Nissan
- Subaru
- Toyota
- Volkswagen
- Volvo
- AND MANY MORE!

## CHEMICALS

Did you know that Northern Radiator offers a variety of chemical products to keep shops prepared? From tank liner kits to paints and sealers, we'll help keep you stocked and ready for all your customers' needs. These products are turn-rate friendly and also make a great order add-on to help reach the free shipping threshold. Stock up today!

### SEAL GUARD

This exclusive industrial sealer for the radiator repair industry is a powder which disperses with air throughout the radiator to seal pinhole leaks and eliminate comebacks.

**RW0114-1**  
1qt Seal Guard

### EXO-COAT

This special external urethane coating for fuel tanks offers the superior adhesion of urethane plus plastic fibers for extra strength and crack resistance. No mixing needed — just brush on and let air dry.

**RW0126**  
Exo-Coat

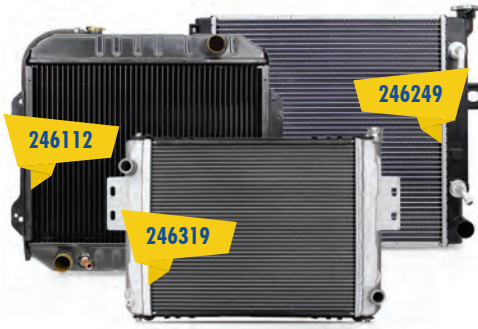

### FUEL TANK LINER KITS

Seal leaking fuel tanks with this complete kit that includes cleaner, prep, and sealer. Liner is resistant to gasoline, diesel fuel, hydraulic fluids, alcohol, ethanol, and other fuel additives.
