

Medium / Heavy Duty Truck and Bus **SURGE TANKS**

Northern Radiator offers a large selection of heavy duty, replacement surge tanks for many truck and bus high failure rate applications. Find metal and plastic styles to fit the needs of your make/model.

METAL vs. PLASTIC?

Metal Tanks:

- Typically made of steel
- Corrosion-resistant coating
- Withstands harsh environments and extreme pressures

Plastic Tanks:

- Made of plastic or polyethylene construction
- Less prone to corrosion
- Lighter weight design, more affordable

Verify Compatibility: Check whether your application requires metal or plastic before purchase.

METAL	PLASTIC	MAKE/MODEL
237029	---	Blue Bird Bus '04-'10 All American, A3FE w/CAT C7 and Cummins ISB Engines
237030	---	Blue Bird Bus '07-'10 BBCV with Cummins, CAT or GM (8.1 propane) Engines
